# Activities of Biolytix AG

Genetic Monitoring

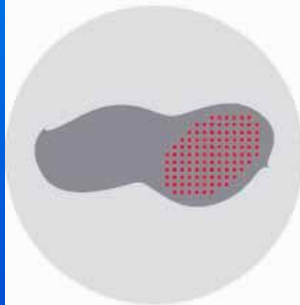

Microbiology

 biolytix  
You can count on us!

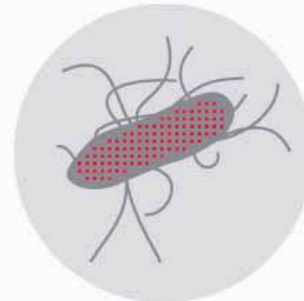

Food Analyses

Gene Expression

Additional Services

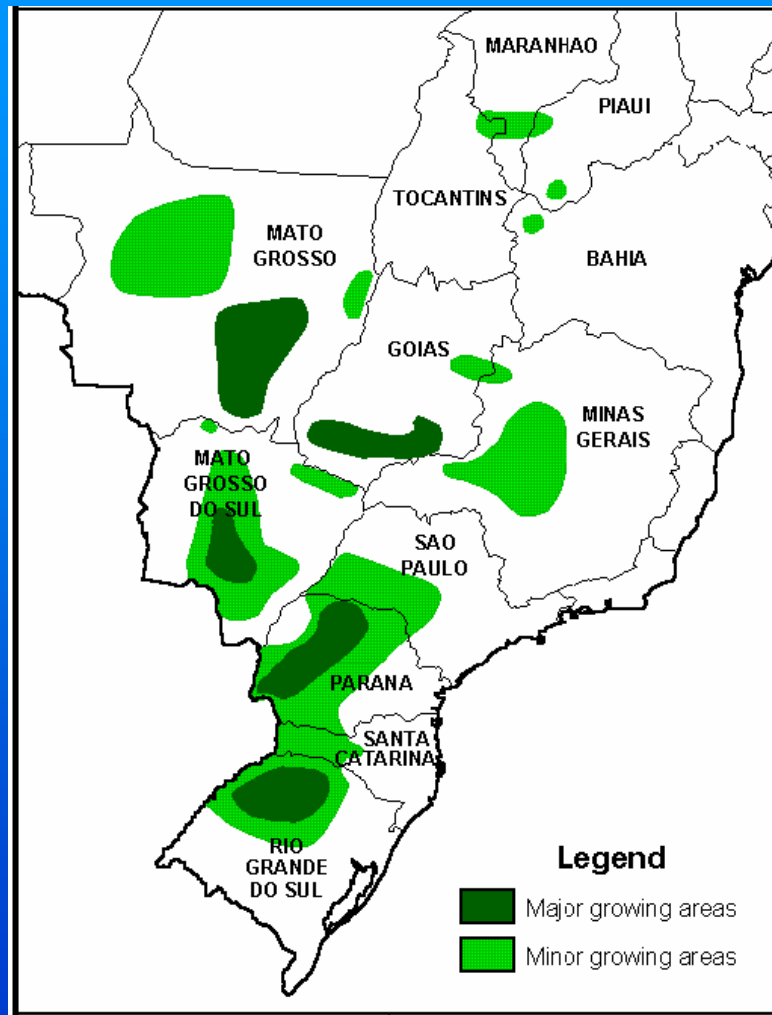

# Services for Brazil

Detection of GMOs in food, feed and tobacco

# Brazil: Soybean Production

- Experience with Brazil:

huge country

very long distances

not a lot of public transport

a lot of trucks on the streets

very nice and friendly people

it is important to have local contacts:

Mauro Ribeiro, Florianopolis:  
[mauro.ribeiro@biolytix.ch](mailto:mauro.ribeiro@biolytix.ch)

Erik Vidal, Sao Paulo:  
[erik@vidal.ch](mailto:erik@vidal.ch)

# Thank you for your attention
